

Downloading the School App

iPhone (ios) users

Search for Coláiste na Toirbhirte app in the **App Store**

Click “install” and follow instructions about information required. You will be ticking the box about receiving information as a “**parent**”

You will be asked to tick those areas about which you would like notifications e.g. subjects, activities etc.

Once you have all information entered you will be asked to save/update your profile.

Android users

Search for Coláiste na Toirbhirte app in the **Google Play Store**.

Click “install” and follow instructions about information as a “**parent**”.

You will be asked to tick those areas about which you would like notifications e.g. subjects, activities etc.

Once you have all information entered you will be asked to save/update your profile.

Alternatively download through the website

Enter the website – **www.presbandon.ie**

There will be a ‘ticker’ running across the home page with the latest news.

Click on the news item regarding downloading the app and this will bring you straight to the links.

Click on the link which applies to the type of device to which you are downloading the app e.g. android / ios

Follow instructions as above.
